Featured Infinitec Stops This Week

Handwriting

Handwriting for Kids

A great resource to supplement your handwriting program. There are printable letter pages in both manuscript and Zaner Bloser cursive. You can create your own worksheets by choosing the graphic and picking the line size. There's even dotted letters for tracing and you can use your own vocabulary.

Handwriting Worksheet Maker

Use this website to create your own worksheets with dots or dashes for tracing. Enter your own words to customize each worksheet. Offers basic or D'Nealean print and cursive.

Printable Paper

Resources for printing lined writing paper of various sizes and styles.

Printable Tools

Online Resource listing from Denise DeCoste's group in Maryland. Includes printable tools for assignment sheets, keyboarding logs, graph paper and more.

Tracer Pages

Use this site to print alphabet pages for practicing printing. You will also find sheets for Dolch words, word families, consonant recognition or pre-printing practice. Sort by grade level.

The web-map on Infinitec to these resources is:

Sign in to www.myinfinitec.org → on the home page, click on the main tab for Resources → click Writing in the left menu → click on Educational Enrichment in the drop down menu → click on Printables in the secondary tabs at the top of the page → click on [Handwriting for Kids](#), [Handwriting Worksheet Maker](#), [Printable Paper](#), [Printable Tools](#), and/or [Tracer Pages](#).

Share the News:

Tell your district colleagues about MyInfinitec. This resource is too good to not share it!! And best of all, it's free!

Webinars: Live

Webinars from Infinitec are free to members. They are found on the bottom right side of the home page. Click on the webinar(s) of your choice to register. All you need is a phone and a computer with internet access. The phone call is free.

On the home page of Infinitec, on the left side of the page, you will find Webinar FAQs to answer all your questions regarding participation in a webinar. You will also find a very helpful Login Guide to Webinars on the home page. (Many webinars have been archived on the website.)
