Featured Infinitec Stops This Week

Books with Repeated Lines

This list from AAC Intervention has oodles of books with repeated lines plus a listing of favorite books for preschoolers covering winter, colors, food, monsters, family, friends, and more. The predictability of these books works great for involving students who use switches and speech pathologists love them for students with apraxia.

Literative

A wonderful resource for preschool, kindergarten, and first grade levels containing guided readers, phonics activities, and a variety of supplemental materials.

Literacy Center—Early Childhood Reading

Online games and printables targeting beginning literacy skills.

The web-map on Infinitec to these resources is:

Sign in to www.myinfinitec.org → on the home page, click on the main tab for Resources → click on Reading in the left hand menu → click on Early Literacy Support in the secondary tabs at the top → click on [Books with Repeated Lines](#) or [Literative](#) or [Literacy Center--Early Childhood Reading](#).
