Featured Infinitec Stops This Week

Functional Behavior Assessment: Plans That Work

Presented by Linda Aldridge, Ed.D., LA Learn

Series A: Investment in Growth

Series A provides an overview, and addresses family involvement, relationships, neurological implications for teaching and learning, and trauma and behavior. **Running Time:** 12:55 minutes; **Learning Credits:** .5

Series B: Functional Behavioral Assessment

Series B provides an overview of functional assessment, and addresses family involvement, the “why” of behavior and other factors which may impact function. **Running Time:** 22:45 minutes; **Learning Credits:** .75

Series C: Setting Conditions

Series C addresses setting conditions which may explain what has happened to the child or what is happening and may help us understand the behaviors seen in school. The presentation looks at school, community and home. **Running Time:** 20:58 minutes; **Learning Credits:** .5

Series D: Exploring Factors

Series D addresses six research-based factors including biological regulation, social connectedness, emotional regulation, avoidance of curriculum and/or instruction, communication skills and cultural environmental skills. Once identified within a student, supports can be identified to help the child. **Running Time:** 33:29 minutes; **Learning Credits:** .75

Series E: Putting It All Together, Functional Behavior Analysis & Student Support Plan

Series E addresses why behavior plans often fail, student support plans versus behavior intervention plans, the critical components of a student support plan, hypothesizing factors and matching those to support for the student. **Running Time:** 21:29 minutes; **Learning Credits:** .5
