Who Should Attend? This session is designed for those who are looking for methods to implement RtI strategies, including educators, SLPs, OTs, PTs, AT Specialists, Social Workers, assistants, administrators.

What Is It? Are you frustrated because your students have difficulties demonstrating their knowledge, thoughts, ideas, and wishes on various topics. Are you struggling with creating age appropriate activities with the necessary supports for everyone to actively participate? This workshop will be a full hands-on day of utilizing IntelliTools Classroom Suite v. 4 as a tool to create and modify engaging activities that are accessible to all students for differentiated instruction. In addition participants will have opportunities to explore the built in supports and data collection features.

Outcomes

Participants will:

- list features within Classroom Suite that support diverse learners
- modify and adapt an activity from a template
- demonstrate student progress by utilizing the built-in data collection features

LUNCH WILL BE ON YOUR OWN
