Who Should Attend? This session is designed for those who are looking for visual support strategies, including educators, SLPs, OTs, PTs, AT Specialists, Social Workers, assistants, administrators.

What Is It Now that you have Boardmaker Plus what do you do with it. This exciting session will drastically broaden your use of Boardmaker Plus. We will review the vast capabilities of Boardmaker Plus for classroom application. Participants will leave this training with electronic version of boards that they can print or use on the computer. This program is designed for experienced users of Boardmaker Plus. We will share tips, tricks and shortcuts and will leave you saying, "I never knew you could do that with Boardmaker!" Please bring your computers loaded with Boardmaker Plus and your Boardmaker Plus CD. Come with a student in mind

Outcomes

Participants will:

- Participants demonstrate how to navigate through Boardmaker new features
- Participants receive up-to date hands-on instruction of the software to maximize use in the classroom
- Participants create visual supports for diverse populations

Space limited to 25 for make and take it

Please bring laptop with your Boardmaker Plus CD
